# IPAD PARENT BOOTCAMP

**Erie Middle School**  
**6:00 pm - 7:00 pm**

Join us as we provide an overview of iPads and their use in the classroom. We will also walk through the iPad restriction settings, now called "Screen Time". This event is for parents/guardians who would like a better understanding of technology use in SVVSD, as well as those who would like to have more control over their child's iPad.

**Please bring the following: Your child's iPad, (must be updated to the most recent iOS version 12.1 or higher) and their iPad Passcode**
