

# CAREER ELEVATION AND TECHNOLOGY CENTER

JOIN US FOR "THE CAMPS @ CETC" THIS  
SUMMER—A FUN AND HANDS-ON FOUR-DAY  
CAMP EXPERIENCE FOR RISING 7TH AND 8TH  
GRADERS IN ST. VRAIN VALLEY SCHOOLS!

Students will explore hands-on experiences from one of our exciting programs in Agriscience, Automotive, Health, Manufacturing, Culinary, Media, Welding, or Mock Trial. Led by expert instructors, CETC students, and industry pros, campers will get a real taste of high school programs offered at CETC. Whether they're into animals, food, cars, law, or creating cool stuff—there's something for everyone!

## Agricultural Science Camp

Explore animal and plant sciences through hands-on activities like grooming animals, starting plants, and learning veterinary techniques.

## Automotive Technology Camp

Dive into car maintenance and diagnostics through fun, hands-on stations that explore vehicle systems and engineering.

## Health Careers Camp

Learn about Sports Medicine, Medical Assisting, Nursing, and EMT through interactive labs and activities.

## Advanced Manufacturing Camp

Create projects using design, machining, and welding skills, and take a tour of a local manufacturing facility.

## Welding & Fabrication Camp

Learn welding and plasma cutting techniques to create your own metalwork and understand modern fabrication processes.

## Culinary Arts Camp

Master cooking and baking skills in a fun kitchen setting—perfect for young chefs ready to turn up the heat!

## Interactive Media Camp

Explore photography, videography, and graphic design, and create a portfolio of your work using Adobe software.

## Pre-Law/Mock Trial Camp

Experience the legal system by participating in a mock trial and learning key aspects of the law.

## Camp Dates & Times

- May 27–30: All programs except Pre-Law
- June 2–5: Pre-Law only
- Sessions:
  - AM: 8:30 AM – 12:00 PM
  - PM: 11:00 AM – 2:30 PM

\*Note: Pre-Law camps do not include mid-day enrichment.
